In recent years Maricopa County has experienced the greatest growth in the nation. Expansion has now advanced to the foothills of the north, east and south of the White Tank Mountains. Each year, as this rapid growth continues, the White Tank Mountains Conservancy's mission to sustain the cultural and ecological resources of the White Tanks becomes more critical.

We know that the success of our mission depends on the support of our community, especially our dedicated volunteers.

We hope you will consider joining their ranks! Volunteering just a few hours of your time each month can make a world of difference in helping protect the plants, animals and cultural heritage of the White Tanks. There is a volunteer activity to suit everyone! Here are some ways you can make a difference. For more information visit wtmconservancy.org/volunteer or email us at info@wtmconservancy.org.

On the Trail

- Be a Trail Steward and help enhance fellow hikers' trail experiences, assist with trail clean up and report any trail issues to park management
- Join Desert Defenders and help eliminate invasive plant species to reduce wildfire risk
- Assist Park Rangers with guided hikes
- Share your White Tanks photos!

In the Community

- Help plan and support WTMC events and community presentations
- Assist with the development and presentation of WTMC programs
- Help welcome and orient new volunteers
- Follow us on social media! Comment and share your pictures on our Facebook and Instagram pages
- Photograph and/or videotape our events and presentations
- Spread the word in the community regarding the WTMC mission

Support our operations

- Help coordinate our volunteers using Volgistics software/email
- Assist with our website and social media pages
- Supply IT/AV support
- Provide GIS Mapping Technical Support (estimated 2 to 4 hours a month) for the WTMC website's ArcGIS StoryMap
- Assist with media relations
