

*Thank You*

Dear Donors,

The White Tank Mountains Conservancy is pleased to recognize donors for contributions made within a calendar year and cumulatively over a lifetime through giving levels and societies.

This enhanced process of donor recognition offers the opportunity for WTMC donors to easily track their charitable gifts, as well as be acknowledged publicly and graciously for their generosity and continued commitment.

Thank you for your generosity and support towards WTMC.

Sincerely,

*Sharma Torrens*

# Donation Levels
